To

K. R. Srinivasa Iyengar, Esq., M.A.,
Secretary to the Government of
H. H. the Maharaja of Mysore, Genl. and Rev. Deptts.,
Bangalore.

Sir,

With reference to Government Order No.7495-6/Med 6-13-64, dated, 3-2-14, I have the honor to forward herewith a revised statement ~~s~~ showing the classification of the Sub Assistant Surgeons according to the new scale - excluding those who have already reached the 1st Class under the old scale.

2. The first thirteen in the list have all completed ten years' approved service and they may accordingly be placed in the 2nd Class on Rs.50/- with effect from 1-10-1911.

3. With regard to Nos. 15 to27 in the list, it is submitted that they received their promotion to Rs.40/- under the old rules a year or two prior to the passing of the revision order and it is clearly a hardship to them if they are now made to count their service on Rs.40/- only from 1-10-1911 for promotion to Rs.50/- under the new rules. It was therefore suggested in this office letter No.107 dated 18-9-1912, that their promotion to Rs.50/- may be given effect to from the dates on which they would complete 10 years from the date of commencement of their service. It was on this condition that the Sub Assistant Surgeons expressed their willingness to be brought under the new scale.

4. Nos.28 & 29 in the list reached their pay of Rs 40 under the

old

old rules just about the time of the revision order. In the case of these and also Nos. 30 to 34 (two of whom have already undergone the promotion examination under the old rules & yet are drawing only Rs.30/- till now) the promotion to new scale, Rs.50, is proposed to be given after they complete 10 years' service. They completed 5 years' service before the date of -- revision order and may draw Rs.40/- from 1-10-1911.

5. The rest, who were all drawing Rs.25/- till the date of the Government Order in question, are shown as being in the last class on Rs.30/- on the date of the order. But in their case also the period of 5 years for promotion to the 3rd class on Rs.40/- will have to be calculated from the dates they commenced service and not from 1-10-1911 on which date they began draw Rs.30/- under the new order. If this is not done, then, these men will be on a par with those that entered service in 1911, which is clearly a hardship to them.

6. Such of the Sub Assistant Surgeons as have not already undergone any promotion examination will be made to do so -- before the promotion is given effect to in their case.

7. I request early orders of Government approving of the re-classification as shown in the accompanying statement as the Sub Assistant Surgeons have not had the benefit of the -- re-organisation so graciously sanctioned by Government over two years ago, beyond that of the pay of ~~the~~ the last class men being raised to Rs.30/-.

I have the honor to be,

Sir,

Your most obedient servant

Personal Assistant
for Senior Surgeon, Mysore Government.
